Points are determined by taking out all seniors from all championship meets

Points are determined by individual events of athletes returning in 2026. All meets were re-scored with points earned by underclassmen.

Independent swimmers are also removed

Scheduling Format

-Teams would swim against each team in their league 1x

-2 NL meets against the same seeded team in the other league. Same as current NL scheduling.

Post-Season

-Keep 2 league championships (each team would submit 3 individuals per event and 1 relay per event) Rationale: this would be a more ability-based league championship. Giving athletes a greater opportunity to acquire All-league status

-Section/County Championship would remain the same (qualifying standards)
